HIGHLIGHTS FROM THE AGENDA

Keynote 3 - Financing the Future of FTTH

Infrastructure

26th March 2025, 10:20-10:30 CET

KKR

Cristina Gonzales

Managing Director

Kohlberg Kravis Roberts & Co. Partners LLP

Cristina Gonzales, Managing Director at KKR, will share invaluable insights into the evolving landscape of FTTH infrastructure financing. This keynote will explore **investment strategies and market dynamics** shaping the sector's growth, offering a forward-looking perspective on **opportunities and challenges for financiers**.

Cristina will also address critical **expectations from policymakers and network operators**, emphasizing the importance of a collaborative approach to drive sustainable development and long-term value in the fibre industry. Gain a unique investor perspective on fostering innovation and scalability in Europe's digital infrastructure.

Keynote 5 - The Portuguese Road to Full-Fibre

26th March 2025, 10:40-10:50 CET

Luís Lopes
Chief Executive Officer
Vodafone Portugal

Luís Lopes, CEO of Vodafone Portugal, offers an **in-depth look at the strategies driving FTTH deployment and adoption in Portugal**. From overcoming operational challenges to fostering innovation and collaboration, this keynote explores how Vodafone Portugal is advancing fibre connectivity in the market, boosting fibre adoption, reducing the country's digital divide, and fostering national competitiveness.

In addition to insights on the Portuguese FTTH market, Luís Lopes will also shed lights on the overarching **strategic approach by Vodafone Group** to accelerate FTTH in Europe.

About us

The FTTH Council Europe is an industry organisation with a mission to advance ubiquitous full fibre-based connectivity to the whole of Europe.

Our vision is that fibre connectivity will transform and enhance the way we live, do business and interact, connecting everyone and everything, everywhere.

Fibre is the future-proof, climate-friendly infrastructure which is a crucial prerequisite for safeguarding Europe's global competitiveness while playing a leading global role in sustainability.

The FTTH Council Europe consists of more than 160 member companies.
