

Data Centre World London 2026

London ExCeL | March 4-5 | Stand D32

JOIN US

Join VIAVI Solutions at [Data Centre World London 2026](#) and discover how we're redefining network certification and assurance for the AI era.

Our future-ready solutions help you:

- Validate Data Centre interconnects faster and simpler than ever
- Perform multi-fibre testing and inspection with next-gen efficiency
- Ensure network performance through remote fibre monitoring
- Deploy innovative testing for 800G and hollow core fibre
- Protect infrastructure with distributed fibre optic sensing

LEARN MORE

Visit us at Stand D32 and see how VIAVI enables infinite scale for your data centre operations.
