Hello LWL-Portal,

Our partner Fibreplus will be exhibiting at [Data Centre EXPO](#) next week on 4–5 February at the London Olympia, and we're excited to share that the VIAVI Data Centre Team will also be on-site throughout the event.

If you're attending, while you're walking the show floor feel free to stop by the [Fibreplus booth](#) - Stand 105 - to catch up, talk testing challenges, or explore what's new in fibre and data centre technologies.

Hope to see you there,  
The VIAVI Team
