Session 4: How to Choose the Right O-RAN Test Investment for Your Business

Date: Tuesday 20th September 2022

Time: 4pm UK / 8am PDT / 5pm CET

Marketing claims that sound too good to be true often are. And in a sector in which companies closely guard their R&D secrets, we often don't know about breakthrough developments and innovative product announcements until we read about them in the press. So how do you navigate these claims and choose the right test vendor for your business?

Join VIAVI TM500 Product Marketing Manager, Bethesda Shu for this session to learn how to ensure you invest wisely.

[Sign up today](#) to attend this session and gain insights you can implement immediately into your Open RAN test strategies.

Unable to join the live events? [Sign up](#) anyway for immediate notification when the sessions become available on demand.
